

Reading

The following is a list of assigned reading assignments. To complete each assignment, read the assigned section(s) and send me a “**Make a Question and Ask a Question**” email. The emails are due in my inbox **BEFORE CLASS ON THE GIVEN DATE**. So if there are problems with your computer access or email accounts, you will need to figure them out before the due date (for a major malfunction, I will accept written versions of “**Make a Question and Ask a Question**”). Remember, in order to receive credit, your questions must be distinct (different) than everyone else’s in the class.
